3. Permit holders may not duplicate parking permits.
4. Residents are allowed one parking permit per household. However, you may list two vehicles on the permit.
5. Cars must be parked within the lines/boundaries of the parking space or curb.
6. It shall be unlawful to park or occupy any space or area for which a valid permit is not issued. Residential Parking Permits do not allow you to park in the lots in town.

Lost, stolen or damaged permits must be reported in writing to the New Hope Borough Police Parking Violations Department within 72 hours of said loss. In cases of loss or theft, an affidavit explaining the loss or theft should accompany the report. Applicants applying for Chestnut and Buttonwood must also provide the same and must meet the guidelines outlined in New Hope Borough Resolution #2008-04R.
11. The Borough of New Hope reserves the right to make any changes or additions/deletions to these rules/regulations as deemed necessary.

12. Residents of Chestnut and Buttonwood Streets must call the Parking Violations Clerk and request a temporary visitor permit. This permit may be used for visitors parking short-term on Chestnut or Buttonwood Streets and only applies to visitors of homeowners who reside on either street. Your request will be granted by the Chief of Police at his discretion. The requestor must provide the dates the visitor is staying, the Make/Model/Color and the License Plate number of the vehicle. The request for visitor temporary permits should be made well in advance, you may call the parking Violations Clerk and during office hours Monday through Friday 10:00am – 4:00pm. Failure to request parking permits for visitors could result in their vehicle receiving a parking ticket.
13. Vehicles should be locked at all times. New Hope Borough shall not assume liability for auto accessories or articles left in a vehicle. No liability shall be assumed by the Borough for loss or damage by fire, theft or any other cause to, or by the vehicle, while parked in the Borough. Parking is entirely at the permit holder's risk.

Applicant must provide a Valid Pennsylvania Driver License, valid Vehicle Registration and valid Vehicle Insurance Card. Parking permits cannot be used by any other vehicle other than the vehicle listed on the parking permit placard. 17. Payment for parking permits is expected in a timely manner. Parking Permits are to be renewed on a yearly basis. The permits are issued January 1st and expire December 31st each year. All payments for Parking Permits are due prior to the 5th day of January but not before December 31st. After January 5th warning notices will be placed on your vehicle as a reminder to renew. Failure to renew your permit by the 10th day of January may result in the vehicle receiving a parking ticket which the vehicle owner will be responsible to pay. It is the responsibility of the permit holder to remember to renew their permit each year. No reminder notices will be mailed as of January 1, 2014.
18. It is the vehicle owner's responsibility to contact the Parking Violations Department to request a temporary parking permit. Temporary parking permits are only issued for special circumstances involving your registered vehicle.
