

**NEW HOPE BOROUGH-OWNED NON-METERED LOTS**  
**RULES AND REGULATIONS FOR PERMIT PARKING**

1. All permit holders must park in their assigned parking spaces. If your assigned parking space is taken by another vehicle, please call the New Hope Police Department at 215-348-7400 or call the Parking Enforcement Officer phone at 215-669-9429, during the hours of 10:00AM – 9:00 PM., to arrange for an alternate parking space. Do not, under any circumstances, attempt to have the other vehicle towed from the Borough-owned parking lot. Only the Police Department can authorize the towing of a vehicle from a Borough parking lot.
2. When parked in your assigned parking space, the parking permit must be placed on the driver's side windshield above the state inspection/emissions stickers. (Failure to place the permit on the designated location will result in a ticket being issued, even if you are parked in your own space!)
3. Permit holders may not duplicate parking permits.
4. The number on the permit MUST match the number on the space marker.
5. Cars must be parked within the lines/boundaries of the assigned space.
6. It shall be unlawful to park or occupy any space or area for which a valid permit is not issued.
7. Delivery persons, vendors and solicitors may not use Borough-owned parking lots.
8. Ownership of parking permits may not be transferred. Permits are for the exclusive use of the individual or corporation, or their designee, listed on the permit. Transferring ownership of the parking permit may result in termination of the parking permit.
9. The Borough will not issue duplicate parking permits, except for lost, stolen or damaged permits. Lost, stolen or damaged permits must be reported in writing to the New Hope Borough Police Department within 72 hours of said loss. In cases of loss or theft, an affidavit explaining the loss or theft should accompany the report. The New Hope Borough Police Department will issue a replacement parking permit upon receipt of the permit holder's written report and affidavit and there will be a \$5.00 replacement fee for a new parking permit. You must provide all legal vehicle documentation and a valid driver's license when obtaining the new parking permit.
10. Any property owners who sublet parking spots from the Borough and issues parking permits to others, i.e.; employees, tenants, etc., must be aware that when said occupants vacate their parking spots, it is the responsibility of the property owner who distributes the parking permits to obtain the permits from the party before they vacate. The old permits should be turned in to the New Hope Police

Department Violations Clerk for destruction and exchange for a new parking permit. A \$5.00 fee will be applied for the issue of a new parking permit.

11. The Borough of New Hope reserves the right to make any changes or additions/deletions to these rules/regulations as deemed necessary and will notify permit holders of any changes.

12. The permit holder of record will be responsible for the dissemination of this and any subsequent information regarding the use of permit parking spaces to any person he or she, in turn, authorizes to use his or her assigned parking space.

13. Vehicles should be locked at all times. New Hope Borough shall not assume liability for auto accessories or articles left in a vehicle. No liability shall be assumed by the Borough for loss or damage by fire, theft or any other cause to, or by the vehicle, while parked at a Borough parking lot. Parking is entirely at the permit holder's risk.

14. Vehicles must park head on into parking spaces. Failure to follow this rule will result in issuance of a parking ticket.

15. There shall be no refunds or rebates for any permits and no prorating.
